

Buddle Delegate Agreement

Thank you for your interest in attending a virtual Buddle course.

Buddle training courses are short, free training sessions that will develop your knowledge and understanding and ultimately will help you develop and support your club, group or organisation.

These courses are available to individuals 16 years of age or above, based in England.

These training opportunities are funded by Sport England to ensure they are **free** to attend and accessible to everyone (we anticipate that the cost per person would be at least £25). Therefore, we ask that you are **committed** to attending this course and **value this as if you were attending paid training.**

If for any reason you are unable to attend your registered session, please provide a minimum of 48 hours' notice to a member of the Buddle team (Buddle@sportstructures.com) so your place can be made available to another delegate.

We really want to ensure the Buddle courses have every chance of running and delegates receive benefit from attending.

Thank you for your cooperation and we look forward to seeing you virtually.

Please note: Pre-course information is sent at least 3 days prior to the course taking place. We recommend that you check your junk mail ahead of the course if you have not received email from the Buddle team in your inbox.
